Dear Mr Halmagy and Mr Stoicescu,

On behalf of Commissioner Wojciechowski thank you for the request for a meeting to discuss the issues in the forestry sector.

I regret to inform you that Commissioner Wojciechowski will not be available in the coming weeks, due to a very heavy agenda. However, I am pleased to propose a meeting with Ms Catherine Geslain-Laneelle – Deputy Head of the Cabinet of Commissioner Wojciechowski. As you are probably aware, due to the confinement, we hold all meetings with external stakeholders via videoconferences.

Please let me know if that is feasible for you and in which period we could foresee the meeting, so I can propose you dates and times.

Looking forward to your reply,

Mariyana Ivanova Popova

Assistant to the Deputy Head of Cabinet

Cabinet of Commissioner Wojciechowski
